## MESSAGE

My warmest greetings to **Rex Bookstore, Inc.** as it publishes the **Barangay Management Kit**.

Our country's progress is determined by the active participation of our citizens in good governance and the responsible leadership of our local officials. We therefore rely on our Punong Barangays to not only deliver effective and reliable services at the grassroots level, but also to communicate the collective views and needs of our people.

As we welcome and embrace the opportunities that come with change, may this publication motivate you to uphold transparency, integrity and accountability in the performance of your duties as well as guide you in implementing policies that prioritize the welfare of your constituents.

Rest assured that we in the national government will continue to pursue initiatives that will make it easier for our barangays to flourish and contribute to the development of our communities and the overall progress of our nation.

I wish you the best in all your future endeavors.
